That depends on what school district you live in and where your income falls on the attached sheet. The Voucher amount will never be more than the amount you owe in tuition.

FACTS Grant & Aid Assessment collects this information and then sends it to the diocese where a person has been hired to review all SGO applications. Without all of the needed financial information, specifically tax documentation, you will not be approved by the diocese for a SGO. If you do not qualify for a SGO and are seeking financial assistance from St. Joseph Parish, filling out the FACTS Grant and Aid form is the tool we use locally to review your needs, too.

12) How can I check the status of my FACTS Grant & Aid application?

Once you have completed the online application, you will be able to log on to www.onlinefactsmgt.com to check the status of your application.
