

## ANGEL TREE

The Angel tree is now up in the downstairs hallway. There are paper ornaments on the tree that have an item or items listed that came from a teacher or staff member's wish list. The teachers and staff will remain anonymous. If you are able to, stop in and choose an angel or angels from the tree. Please note that these items may be new or used. If your family takes an angel, please wrap the item(s) or drop them off in the office and we will wrap them for you! However, make sure you return the angel tag with your gift. You may put your name on the back or remain anonymous. We will hand out the gift(s) to the teachers on the last day of school before Christmas break!

Below are the items still left on the tree. If you are unable to stop in and grab an angel, send in a note or email the office ([office@stjosephgarrett.org](mailto:office@stjosephgarrett.org)) with the item you would like to purchase and we can send home the angel tag to you!
