

## CHOICE SCHOLARSHIP LOTTERY

If St. Joseph School were to receive a number of Choice Scholarship applicants that exceeds the possible number of Choice Scholarship places that St. Joseph School can successfully accommodate, then St. Joseph School would conduct a random lottery drawing of eligible Choice Scholarship Students who meet admission standards for St. Joseph School at a public meeting.

Priority of admissions order that the school abides by during admissions process is:

1. Returning students that are in good standing.
2. Active parishioners of St. Joseph Parish and "feeder" schools.
3. Returning students' siblings
4. Students coming from a "feeder" school
5. New Students/Lottery (Applications must be received by March 15th) \* Lottery will take place the last Friday in March\*
