

**Dear Parents,**

**Dear Parents,**

**This month our focus will be on the states and capitals. Each Monday, students will receive a list containing 12-13 states. Students are to study the states and capitals on the list as well as their location within the United States. On Friday, a quiz will be given covering the states on that list.**

**Our class will begin reading together a novel by Mary Norton “The Borrowers” at the end of the month. Each student will receive their own copy of this book. Some reading assignments as well as other activities may be assigned for homework.**

**Thank you for assisting your child with E-Learning and their homework. I feel that things are going very smoothly this year. Please remember to check each of your students in with each of their teachers as soon as possible on E-Learning days. Remind your child that all written assignments for E-Learning (including recorded scores) are completed in their notebook. Although students have one week to complete their E-Learning assignments, It is advised to complete as much as possible on the given day in order to avoid a build up of assignments.**

**God Bless, Mrs. Edelman**
