

**St. Joseph Catholic School**  
**Mrs. Mohoney's Kindergarten**  
**October 2, 2017**

We enjoyed practicing our beginning sounds and final sounds with Doc. We enjoyed listening to the story of Cass and Doc building a house for Coconut. We practiced our inferring skills during the story. We met Sal this week, too. We were so proud to be able to sounds out and blend Sal's name. We are learning about sports with Sal.

We continued to practice position words. We are working hard to remember our left and our right. We also learned about geoboards. We practiced copying shapes that were the same size.

We finished learned about the church year as a whole and our focusing on the season of Ordinary Time. We learned about Saints Patrick and Peter. We learned they taught people about Jesus. We continued to share different ways to be charitable.
