

Dear Parents,

Here is what's going on in third grade!

This year has been so exciting, and I wanted to thank you all for being patient and working with me. I greatly appreciate it, you all are fantastic.

Next week, the third graders will be having Mass on Friday, August 26, 2016. Each of the third graders will have a part in the Mass. Please make sure the students are following dress code for Friday Mass. The boys should have khaki pants with their St. Joseph shirt. The girls should be wearing khaki pants or a khaki skirt with their St. Joseph shirt. Thank you so much!

Next week, the students will be starting NWEA testing. NWEA will start on August 23, 2016 and go until September 1, 2016. I know the students will do fantastic! Remind the students to make sure they are getting plenty of rest at night, drinking lots of water, eating healthy, and washing their hands so they do not get sick.

As the school year is getting underway, I would like to know what parent/s would like to help in the classroom for class parties. If you would like to be one, just send a note with your son or daughter/s, so I know.

Extra news:

The lunchroom is seeking parent or grandparent helpers. If interested, please contact the school office and we can get a Safe Environment check completed and get new helpers scheduled!

Just a reminder that Grandparents Day is September 9th.
