Third Grade News!

March 8, 2018

Important information

I sent home the Tincaps reading program information last month. The students have to read 50 pages to advance to each base. They will read a total of 200 pages. I have received the student's tickets. They will be sent home next week to the students who have completed the reading. You will have to mail in ticket order form to the Tincaps, not the school. The order forms are due Monday, April 9, to them.

Please see the forms that I am sending home concerning a book that we are writing with the second-grade class. PLEASE SIGN and RETURN, even if you don't want to purchase, this will allow one of our classes to get a free book for our classroom. DO NOT feel obligated to purchase a book. We are working hard to get our book ready to send before spring break! :)

Students took ISTEP+ part 1 last week. I am extremely happy with how patient they were and how hard they worked. We will have ISTEP+ part 2, when we come back from spring break.

Students will be taking the IREAD 3 next Tuesday and Wednesday. Please make sure that your child is getting sleep and eating healthy. Please make sure they eat a good breakfast on those days so they are ready for the tests.

Please make sure you are checking and signing your child's assignment books. I ask the kids to get them signed nightly, that way you know what their homework is.

The students have learned all of their multiplication and division facts. Please make sure you are practicing them at home, the students need to be fluent with them. The students enjoy playing the dice games that I have in my classroom.

Upcoming events

- ★ March 7- End of 3rd nine weeks
 - ★ March 10- HASA Merchant bingo
 - ★ March 13-14- IREAD 3
-
