

Miss Riecke

Welcome to third grade!

September 6, 2017

Important information

Parents, please make sure you are getting onto PowerSchool and looking at your child's grades. If you do not have your information to log into PowerSchool, please let me know and I can get you a copy of the information. Also, if you have any questions or concerns do not hesitate to contact me.

Please make sure that you are checking **and** signing your child's assignment book daily. It is required for all students to bring their assignment book to you to sign. This will help to ensure you know of the daily happenings in the classroom.

Please make sure you are discussing with your child on a nightly basis how they are getting home the next day.

NWEA went well for all the students. I am very proud of the students! The students all worked very hard during the tests.

The students are allowed to bring water bottles to school as long as they have a lid. We also have snack time every day. Please try to make sure you are sending healthy snacks for your child.

As the school year is getting underway, I would like to know what parent/s would like to help in the classroom for class parties. If you would like to be one, just send a note with your son or daughter, so I know. You must have completed the safe environment forms and have your background check on file in order to help.

The students and I are working on learning multiplications facts: 0, 1, 2, 5, and 10. I do have it as homework every night. Please make sure you are practicing them with your child. We have also been learning about subjects, predicates, and homophones during class.

Upcoming events

- ★ September 6- First day of preschool 9-10am
 - ★ September 7- No school teacher day only
