Week Three

What another wonderful week of learning we have accomplished! We finished learning about the letter C with Cass. Our new Superkid, Oswald, joined us to teach us about the letter O. We are hearing the beginning sounds in everything, but we are partial to C's and O's! We love that Oswald is silly like us and can teach us about real animals AND fiction animals! We created some wonderful fiction sentences about what we could lift! What great imaginations! We also got another visit from our friend, The Pigeon, as he helped teach us about talking bubbles or captions.

We also finished our first unit in math this week, so we had our first math test! What a fantastic job we all did at "staying cool" during the test and doing our best work! Now we will begin working on our numbers to 10. We will use different manipulatives and ways to show our numbers!

We also shared many ways we enjoy God's gift of light this week. We also learned about praising God through our singing! We are so excited to learn about all the other special gifts God has given us. We will be learning about the gift of water next.

****The lunch room is seeking parent or grandparent helpers. If interested, please contact the school office and we can get a Safe environment check completed and get new helpers scheduled!**

****Redeemer Radio Prayer Card Design Contest**

Enter your original artwork for Redeemer Radio's Sharathon Prayer Card Contest! Opened to students in 2-12th grade, entries must illustrate the Sharathon theme "Sharing His Mercy". Entries must be postmarked by August 29. Winning design will be featured on the Redeemer Radio prayer card this Fall! For an entry form and complete rules, visit RedeemerRadio.com

Reminders

*Remember to bring your paint shirt for art on Tuesday, if you have not already

***Library is Wednesday - don't forget your book**

*PE is on Thursday, remember to wear pants or shorts and shoes you can easily run in

*Please remember to wear your official school uniform for Mass on Fridays. This includes a blue St. Joseph polo and khaki bottoms!

*Bring a healthy snack, that does not require a spoon/fork, each day if you would like one

"Respect is the key to: God made us a family"
