Classroom News

Dear Families,

Thank you for coming in for conferences last week. It was so nice to meet with you and share about your child's growth.

This week in Math, we will be focusing on subtraction facts to 20. In Language Arts, we will continue learning when to double a consonant before adding -ing or -ed. We will continue writing a book about something that we like. We will also be learning about adjectives and antonyms

In Religion, we will continue learning about the early followers of Jesus. In Social Studies, we will be talking about past, present, and future. In Science, we will continue with our fall observations, and leaf experiments. We will also continue with our pumpkin investigation. In Health, we will be learning about going to the dentist. This will be a fun Fall week!

Last week they really enjoyed: Sharing our Saint Puppets and Reports, celebrating All Saints Day, and praying for the dead on All Souls Day.

Reminders/Updates: * Safe Environment lessons will be taught in each class on November 8th. Please see the school newsletter for more information.
* Please return all school library books on Wednesday. * In the event of a two hour delay, we will not have snack at school.

Mission Statement: Children following God in Faith, Respect, Knowledge, and Service.
