### Classroom News

Dear Families,

We have many things to look forward to this week. In Math, we will continue learning about number patterns up to 120. In Language Arts, we will continue learning about words with a long vowel sound and a silent 'e' at the end. We will also be writing a problem-solution story.

In Religion, we will be learning about the liturgical season of Advent. In Social Studies, we will be learning about how transportation has changed over time. In Science, we will continue learning all about weather. In Health, we will be talking about going to the doctor.

We will be waiting and preparing our hearts for the coming of our Lord at Christmas time.

**Last week they really enjoyed:** Counting number patterns on a hundred chart and learning about Pilgrims and Native Americans.

**Reminders/Updates:** \* In your child's folder, is the name of their Advent Prayer Pal. Please encourage your child to pray for their pal at home. Thank you!

\* Our Christmas Program is 12/18 at 9 a.m. & 6 p.m.

\* Our Christmas Break is 12/21 - 1/3

**Mission Statement:** Children following God in Faith, Respect, Knowledge, and Service.
