Dear Families,

Many blessings to all of you in the new year! Thank you for all that you do. This week in Math, we will continue learning about counting and number patterns up to 120. In Language Arts, we will be learning about words with two vowels in the middle like heat and jeep. We will be planning and drafting a personal story. We will also be working on adjectives that compare objects like taller and largest.

In Religion, we will be learning about the Sacraments of The Catholic Church. In Health, we will be learning about exercise and the muscles in our body. In Social Studies, we will be learning about fact and fiction.

This month, we will learn about the virtue of **fortitude**: being brave and strong in the face of trials.
