Classroom News

Dear Families,

This week in Math, we will continue adding with two-digit numbers and regrouping. In Language Arts, we will be learning that sometimes the letter 'y' says 'i' or 'e'; as in fry and puppy. We will also continue learning how to write a set of directions and a list.

In Religion, we will be learning about St. Valentine, Ash Wednesday, and the season of Lent. In Health, we will be learning about fire safety. In Social Studies, we will be learning about communities. In Science, we will continue learning about living things.

This month, we will learn about the virtue of **prudence**: thinking about what is best to do.

Last week that really enjoyed: Reading stories about Paul Bunyan and John Henry, comparing the characters, and watching a video about Paul Bunyan.

Reminders/Updates: *The "I forgot my snack" cabinet is running low. If you are able to contribute to this cabinet it would be greatly appreciated. Crackers, pretzels, etc. THANK YOU!!

**** Mission Statement:** Children following God in Faith, Respect, Knowledge, and

Service.
