Classroom News

Dear Families,

This week in Math, we will be learning all about measurement. In Language Arts, we will be learning how to drop the 'y' and add 'ied' or 'ies'. We will also begin writing a personal narrative.

In Religion, we will be learning about The Last Supper, Crucifixion, and Resurrection of Jesus. We will continue praying The Angelus each day. In Health, we will be learning about internet safety. In Social Studies, we will continue learning how communities can change over time. In Science, we will be learning about animal families and homes.

This month, we will learn about the virtue of respect: recognizing the dignity of all people.

"Do to others what you would have them do to you." Matthew 7:12

Birthdays

Adayla 3/11

Gus 3/24

Last week they really enjoyed: Going to Adoration of The Blessed Sacrament, reading a new Magic Tree House book, and making Lent cards for others.

Reminders/Updates: May we all grow closer to our Lord during this Lenten season.

* **Mission Statement:** Children following God in Faith, Respect, Knowledge, and Service
