Classroom News

Dear Families,

This week in Math, we will continue learning about telling time to the hour and half hour. In Language Arts, we will continue learning about words with -aw and -all. We will also be writing a verb and adjective poem.

In Religion, we will continue learning about The Eucharist. In Health, we will be learning about our muscles and bones. In Social Studies, we will continue learning about goods and services. In Science, we will continue learning about ocean life .

This month, we will practice the virtue of **forgiveness**: pardoning those who offend you. Jesus tells us, "Forgive, and you will be forgiven." ~ Luke 6:37

Last week they really enjoyed: Reading a new Magic Tree House book, sharing about our Spring Break adventures, and learning about The Eucharist.

Reminders/Updates: *Please return your permission slip for the Garrett Public Library by Thursday of this week. We will be walking down to GPL on Friday afternoon. Thank you!

****Mission Statement: Children following God in Faith, Respect, Knowledge, and Service.**
