

September News

Dear Parents,

This month our class will improve our writing skills by exploring the various types of figurative language. We will focus on similes, metaphors, hyperbole, personification, and idioms.

Mrs. Bonnie Disque will also supplement our Language Arts program by instructing the students in the use of various techniques that will enhance grammar and composition abilities.

Through out the year, our class will focus on activities that will meet the goals that are contained in our School Improvement Plan. These include receiving instruction on various computer websites to use at home for e-learning and track standardized test scores in content areas to enhance/individualize classroom instruction.

We will explore the lives of the patriarchs this month (Abraham, Isaac, and Jacob) during our on going study of the Bible. The focus will be on God's covenant with Abraham as

it relates to his personal faith in God.

Please continue to check your child's planner for homework assignments and up coming test dates.

I am so very proud of all the effort and Christ-like behavior this class displays!

God Bless,
Mrs. Edelman
