

St. Joseph Students "CAN" Help the Needy!

What: St. Joseph's Day Student Service Project

Why: We want to honor Saint Joseph by serving the needy.

When: The collection begins Monday, March 12th, and the student service project will take place on Friday, March 16th.

Where: St. Joseph School Gym

How: Students will be asked to bring in non-perishable food items daily beginning Monday, March 12th and ending on Friday, March 16th.

These items will be collected for the needy families who visit the St. Martin's Soup Kitchen.

On Friday, March 16th, the students will fill bags (decorated by the students) with the items collected during the week. Every family who visits the soup kitchen will be able to take a bag home with them after they enjoy their meal!

- **The classes will track their collected items during the morning assembly each day!** The class with the highest number of items collected by Friday, March 16th will earn a PIZZA PARTY at the end of the year!

We are only asking for non-perishable food items this year.

No personal hygiene items.
