

Dear St. Joseph Families,

In the spirit of thanks and giving, HASA would like to provide a Thanksgiving Dinner to our students again this year. On Tuesday, November 21st, students will celebrate the holiday by sitting and eating family style at tables in the gym. We are asking for volunteers to provide “pot-luck” carry-in type items for this meal. Dishes may be a side dish, meat dish, fruit dish or bread item. You may bring in a crock pot, casserole dish, tray etc. All dishes can be picked up after the meal, sometime that afternoon, or at pickup. No need to bring a serving utensil.

Please note, we have students with allergies to peanuts/tree nuts & milk. You are welcome to make any item, however, if your dish contains one of these allergens, please include a note when it is brought to school.

Drinks and paper products will be provided. We will need to serve approx. 100 people, therefore if you and another family would like to make an item together (like a crockpot of corn...) that would be great!

We will need a few volunteers to serve and set up our dinner on Tuesday morning. If you are able to help please sign and return the bottom portion or contact the school office.
