

*St. Joseph School is excited to announce that our tuition rate for the 2017-2018 academic year will actually be lowered over our current year. We're enthusiastic about this opportunity to offer the best spiritual guidance and academic excellence to our students at an affordable cost. We encourage new families to enroll and are cheerful it will assist our existing student families. This is one of many steps St. Joseph School has taken to display our persistence towards our Mission – "Children following God in Faith, Respect, Knowledge and Service". We hope you and your family will join us in this calling!*
