

# Ms. Cupp 5<sup>th</sup> Grade Week of October 2nd, 2016

Children following God in Faith, Respect, Knowledge, and Service

## This Week's Events

We are focusing on the Corporal Works of Mercy this week and making a poster of them to hang in the hallway as a review and reminder of them.

Our story this week is historical fiction about a rescue squad. We will then read non-fiction about the same rescue squad and some of their accomplishments!

The children had a fun time with our Solar System unit and have enjoyed mapping constellations as well! It has been an exciting topic of study! We will be wrapping up this unit this week.

Thank you for turning in your Virtue Program Home Projects. Part of enacting the Virtues in our lives is the outward expression of our faith to others. This program gives me a platform that I use to emphasize positive treatment of others to the students. This includes bullying- what it consists of and what to do if the student experiences it or sees another student being bullied.
