

Ms. Cupp 5th Grade Week of October 23, 2017

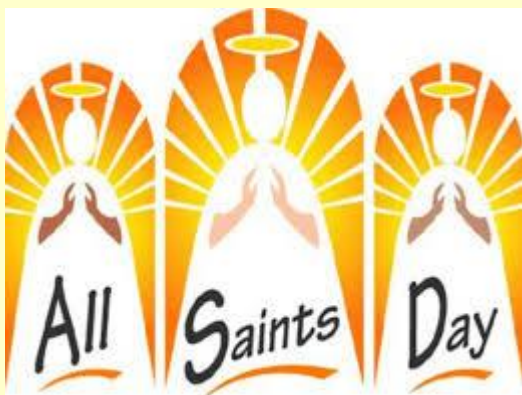

Children following God in Faith, Respect, Knowledge, and Service

This Week's Events

Thank you for turning in your Virtue Program Home Projects. Part of enacting the Virtues in our lives is the outward expression of our faith to others. This program gives me a platform that I use to emphasize how we should treat others to the students. This includes bullying- what it consists of and what to do if the student experiences it or sees another student being bullied. **October's virtue is Friendship.**

We will take a break from our Reading series for the next several weeks and do a unit on Poetry and Endangered animal readings. We will also finish getting ready for BizTown! The day of our trip is Nov. 10th! The students are very excited about experiencing this! It has been a great opportunity in the past and they have had a lot of enthusiasm about what we are learning.

I have most of the families scheduled for Parent Teacher Conferences. I'm looking forward to meeting with you and sharing your child's progress!
