

DeKalb County Fair Parade

Saturday, September 30, 2017

St. Joseph School is once again participating in the DeKalb County Fair Parade. This is a fun day for our students and parents to come together to show their pride in our school. (It's also a great way to let the community know about us!)

All students in preschool through sixth grade are invited to ride on the float or walk next to the float. Strollers and wagons are welcome. Please wear St. Joseph school colors of royal blue if you can. As in the past, if your pre-schooler or kindergartner participate, we ask that a parent or guardian please walk with them or ride on the float. Adults are needed to escort the children. Alumni are always welcome.

So mark your calendars for **Saturday, September 30th** and show your school spirit by joining our St. Joseph School Family for the parade.

Detach and return bottom portion by Wednesday, September 27th.
