Wed. - Study spelling, Math Lesson 14-3, 5 min. Fact Drill, Read library books

Thurs. - Study for spelling test, Math Lesson 14-4, 5 min. Fact Drill

Read for pleasure

Friday. - Enjoy your weekend!

RELIGION -Chapter 14: Christmas-We are preparing for the coming of Jesus at Christmas by doing good works to show our love for Christ and others. The students made a manger for Jesus and are adding straw for his bed with each good deed they do. Hopefully, he has a soft bed by Christmas.

MATH - Focusing on: Money- coins and values and ways to show the same amount. Students will be earning funny money to spend on prizes (gifts they can give others for Christmas). We will do this the entire month of December. **I am guessing by the erasing on homework that it is a little rough yet! Hang in there parents, they will catch on. Some could use extra work on identifying coins and skip counting by 5's and 10's.**

READING - We will be reading *Betsy and the Wolf* in our book talk. It is similar to the *Boy Who Cried Wolf*, but with a twist.

HANDWRITING - Cursive has begun! Remember it will take time before we know enough letters to use in our daily work. We work on the letters m and n.

SPELLING -This week's pattern: -old, -ost, -ild, -ind. We are on unit 4, week 3.

SCIENCE- We will explore how wind and water can change our landforms.

Virtue for December is: Purity-keeping your soul free of sin

Saint: Saint Dominic Savio- his motto was 'I would rather die than commit a sin'

Remember to bring mittens for the Mitten Mass. Eat and sleep for best testing!
