**RELIGION** -Reconciliation review and prepare for 1st Communion. Learn about Divine Mercy and St. Faustina

**MATH** - We have almost finished our math books! We have been peeking at what 3rd graders learn with our STEP-Up lessons. We will be doing a lot of reviewing.

**READING** - Please be reading at home, in the car, everywhere you go!

**HANDWRITING** -Continue to practice capital R, B

**SPELLING**- words with 'air' sounds spelled air,airy,ear,are,erry,and ary

**SOCIAL STUDIES**- We will focus on scientists and inventors: Benjamin Franklin, Carlos Finlay, Madame C.J.Walker, Alexander Graham Bell, and Margaret Knight, and Benjamin Banneker.

**SCIENCE**- Earth Day and how we can help our planet. All the wonderful things our planet provides for us, such as, water, oxygen, and food.

**VIRTUE**- Obedience-saying "yes" to God and those who stand in His place

**SAINT**-Our Lady

Congratulations to the St. Joseph students receiving the sacraments this week and to the St. Michael's students who will be receiving First Communion on May 7th at 10:30. Those who are not receiving are welcome to come and support their classmates at these celebrations.

**Please return permission slips for the zoo!**
