

Spring Pictures

Dear Parents,

St. Joseph School is taking part in the Spring Picture Promotion on Wednesday, April 4th. We are hoping to receive the order forms by Friday, but if not, they will be sent home when we return from break. During the Spring Picture Season, only those students who bring back an order form & payment by Picture Day will have their individual pictures taken.

Classroom and group pictures will also be taken.

If you are not ordering individual pictures but want a class picture, you need to order those at this time as well.

Students have the option to wear uniforms or their favorite outfit on this day.

SMILE!
